

MedicoTherapy Ltd.

Patient Authority

Following the Initial assessment with your therapist, MedicoTherapy Ltd requires written recommendations of the proposed treatment plan in order for us to authorise further treatment if necessary and payment. A discharge summary is also required at the end of treatment providing us with dates of attendance and a progress report of the therapy treatment programme provided.

Please sign this form to give consent for the therapist to provide us with these reports and my complete therapy Records relating to the treatment provided. This consent also extends to your GP, Solicitor and/or the Insurance Company you have instructed on your behalf.

Should you wish to see a copy of the initial assessment and/or discharge reports showing the findings and treatment plan recommendations you should directly contact the therapist.

Declaration

I,

hereby authorise my therapist to release copies of the initial assessment and discharge reports to MedicoTherapy Ltd and if requested my GP, Solicitor and/or Insurance Company.
